### *TOPICS FROM JANUARY 15, 2022 INVITATIONALS*

*Here at the state KHSSL office, Gypsy and I often look through the tournaments being held around the state (online) to keep up with what's happening. The tournaments happening the week of 1/15/22 had especially good limited prep topics all around, so we duplicated them here for you to use in practice as you prep for Regionals and State. May the words be with you! -- SM*
